

City of Whittier – Personal Property Sale by Sealed Bid

Pursuant to Whittier Municipal Code Article IV 3.36.410 – *Disposal of City-Owned Personal Property*, notice is hereby given that the City of Whittier offers for sale by sealed bid, personal property items including vehicles, harbor vessels and heavy duty equipment as listed on the attached City's 2023 Equipment Sale List. A list of the available items, including photos and item condition and minimum bid, if any, and contact person for additional information, can be found on the City's website at the following URL: <https://www.whittieralaska.gov/public-notices/>

Bidders are encouraged to inspect the property prior to the sale.

To Place a Sealed Bid:

1. Write the Item # of the Bid Item and total amount of the bid you are willing to pay, on a piece of paper.
2. If you wish to bid on multiple items, each bid must be placed in a separate envelope and marked on the OUTSIDE of the envelope, "Surplus Sale Item # _____" (insert the item number of the item you are bidding on).
3. For bids of \$50 or less, include 100% of your bid amount within the envelope. For bids OVER \$50, submit payment equal to 20% of the amount of your bid. Note: Only personal checks, money orders or cashier's checks made payable to the City of Whittier will be accepted. **NO CASH BID DEPOSITS** are allowed (if cash is received it will be returned and the bid will be disqualified).
4. One bid per envelope. INSIDE the SEALED envelope, include your name, address, e-mail address and telephone number, along with the paper listing the Bid Item and your Bid Amount.
5. SEALED Bids are to be submitted to the City Clerk's Office and **MUST BE RECEIVED in the City Clerk's Office by Noon on Monday, July 17, 2023**. Address: City of Whittier, Attn: City Clerk, PO BOX 608, 660 E. Whittier Street, Whittier, AK 99693-0608. No late bids will be accepted. Due to mail delivery issues, it is advisable to hand-deliver bids or allow sufficient time for mail to arrive. Even couriered mail (FedEx, DHL, etc.) is not always received timely in Whittier since delivery is not made daily.
6. In the event two or more parties submit high but identical bids, the City may accept the first bid received or may reject all bids.
7. Bidders agree to accept the property as-is, where-is and with no warranty.
8. Following the bid opening bidders have 24 hours from bid opening to pay the bid amount in full.
9. Successful bidders must remove all awarded bid items no later than 24 hours after their check has cleared the City's bank, with the exception of Heavy Equipment, Harbor Vessels, and Generator Sets, where bidders must remove all items within 14 business days of the bid opening, and failure to do so shall result in forfeit of bid deposit and the next highest bidder shall be considered the successful bidder.

Buyer has 15 days to remove equipment. The City will not provide equipment to assist.

BID ITEM #120 – 1981 Marine Travel Lift 30AMO

Minimum Bid: \$5,000

IMPORTANT NOTICE: The City of Whittier will sell the 1981 Travel Lift only to a buyer who agrees, in writing, not to utilize the lift in Whittier for the purpose of transporting vessels, equipment, etc. into the waters of Prince William Sound. The Travel Lift may not be operated on the City Dock, City property or within the Harbor uplands/parking lots or dry storage areas.

The Travel Lift is currently in disrepair and requires significant repair and upgrade including to the slings, tires, electronic and hydraulic components, etc. to safely operate. It may be possible to use for other purposes, but buyer beware when it comes to the safety of this equipment. Buyer is highly encouraged to inspect the travel lift before submitting a bid.

Some communities require that upon sale, a travel lift must be taken out of the community. This is in part, to ensure that the general public does not associate the use of the lift with City operations. The City has taken this Travel Lift out of service due to safety concerns so buyer should understand that there is no warranty, no representation by the City that the travel lift can be safely operated without significant investment by buyer.
