

WHITTIER SMALL BOAT HARBOR FLOAT PLAN

- If trouble occurs while you are on the water, help will come faster if the Coast Guard and other rescuers know where to look for you. For your safety and your family's peace of mind, complete this form, and leave it at the Harbor Office or email to harbor@whittieralaska.gov before you leave port.
- If this is not possible, leave it with a responsible person whom you can trust to notify authorities if you are overdue.
- Remember to **check the weather** before you depart and, if possible, during your trip. Current weather can be found by calling Alaska Weather Line at 1-855-937-4977.
