2. QUESTIONS AND ANSWERS

The following questions and answers are provided as a matter of information to clarify issues raised about the RFP. To the extent that changes to the RFP are required based on the questions received, the RFP has been modified as noted above in this Addendum.

Item	Questions and Answers
4.1	<p><u>Question:</u> Please exclude the “Broad Form All States Endorsement” as our insurance company cannot include it in our Workers’ Compensation Insurance.</p> <p><u>Answer:</u> Appendix C - Workers’ Compensation Insurance – Please strike the requirement for “Broad Form All States Endorsement” for Workers’ Compensation, found on Appendix C, Page 15.</p>
4.2	<p><u>Question:</u> If you have a copy of the “Supplementary Conditions”, please forward as that is where we might find the Builders Risk Deductible so we can discuss if additional coverage will be needed there.</p> <p><u>Answer:</u> Appendix C – References to Deductible and Builder’s Risk Deductible (Section 5.6A; . Section 5.6C). As it relates to Deductible requirements, where there is reference to an amount “subject to such deductible amounts as may be provided in the Supplementary Conditions or required by Law or Regulations”, bidders should assume that deductible amounts equal such amount as may be required by Laws or Regulation, if any such Laws or Regulations may exist. There is no specific deductible listed within any Supplementary Conditions, and we are unaware of any particular Law or Regulation that requires a specific deductible. However, the intent of this language is that bidders understand that to the extent they carry a deductible, the owner assumes no responsibility for covering any deductible in the event of a loss.</p>
