The overall length of your vessel is figured by measuring the centerline from the furthest point to the furthest point; this includes the bowsprits, swim steps, dingy or any other protrusion. The cost of getting on each waiting list is \$50 including tax. To remain on the list, you need to pay the annual charge of \$50.00 no later than December 31, each year and you must be in good standing with the harbor. Although the harbor will send a reminder, it is your responsibility to renew. If you fail to pay your fee in time, you will be removed from the list. There are no exceptions to this rule. Only one individual's name may appear on the application to be accepted as a preferential berth holder. You do not need to own a vessel to be placed on a waiting list. If your name comes to the top of the list, you have three options: (a) Accept the slip, if you do not have a vessel, you have one year to obtain a vessel of the appropriate length. (b) Return to the bottom of the list. (c) Be removed from the list altogether. To remain on a wait list, you must; Inform the Harbor of any change in your address via phone, e-mail, or mail service. If your name comes to the top of the list, you will be notified by certified mail. If you do not respond within 30 days of the mailing notifying you of the stall, your name will be placed on the bottom of the waiting list. Provisions for the application are contained in Title 12 of Whittier Municipal Code 12.04.0120B. Any decision may be appealed to the Port and Harbor Commission.
