Due to a shortage of healthcare workers, being felt in Alaska and around the country—we have made the difficult, but necessary, decision to temporarily close the Whittier Health Center, **beginning Monday, August 30th.**

We are diligently searching for a new healthcare provider and are hopeful this temporary closure will not last longer than two weeks. We apologize for the inconvenience this may cause for you and your family.

Thank you for your patience and understanding, during this time of COVID-19.
